what does it  
all mean??

A black and white cartoon illustration. A man with dark, spiky hair is shown from the chest up, sitting at a desk. He is looking at a large computer monitor with a very confused expression, his mouth wide open in an 'O' shape. His hands are on the sides of the monitor. A speech bubble above him contains the text 'what does it all mean??'. The monitor is tilted slightly away from him. On the desk, a keyboard is visible. The background is simple, with a chair partially visible behind him.
